## **WEIGHTED GRADES**

To encourage students to elect more challenging subjects, a weighted grade system is utilized. Honors/Advanced subjects are weighted by an index of 1.2. Grade shown on transcript is the student's earned grade.

## **CLASS RANK**

All students are ranked according to grade point average. This is obtained by multiplying the final average for the course by the credit value of the course, adding these numbers and dividing by the number of credits attempted. All courses, academic and non-academic, grades 9 through 12 are included.
