*School Business Administrator/  
Board Secretary*

September 1, 2009

Dear Friends,

On behalf of all of us in the Pinelands Regional School District, I would like to welcome you to our community. The Pinelands schools have a long and distinguished history of service to children and families. We are proud of our students. They continue to achieve at high levels and make significant contributions to our community. Just as important as academic excellence, a heavy emphasis is placed on civility, citizenship, and character development.

It is our intent to deliver the very best instructional program possible to our students. Our curriculum is extensive, including college-level courses, special education options, effective student assistance programs, and a variety of enrichment opportunities.

The district provides students a full and rich selection of academic, vocational, practical work experience, and extracurricular programs. Counselors are available to guide students through their secondary studies, allowing students to meet State requirements for graduation and pursue their individual personal interests.

The Pinelands Board of Education is committed to excellence. The district is recognized for this commitment at both State and national levels. Our students' S.A.T. scores often exceed County and District Factor Group norms and a full 80% of our graduates pursue post-secondary education.

Thank you for your interest in our schools. Please join us as we work together to create a bright, successful future for all of our students.

Sincerely,

Detlef Kern, Ed.D.  
Superintendent
